

Meditation Stool

BOWER × STUDIO PROBA

The Meditation Stool is part of the Zendo Collection, designed in collaboration with Studio Proba. A thin layer of abalone shell is set into a precision-machined cylinder of high-density polyethylene creating the illusion of a solid abalone cylinder with a white shell that is cut at the ends and scooped out in the middle, creating a perfect shape for sitting or resting your head.

Limited to an edition of 15.
